# DISCOVER SANT CUGAT IN AN AFTERNOON

AJUNTAMENT DE  
**SantCugat**

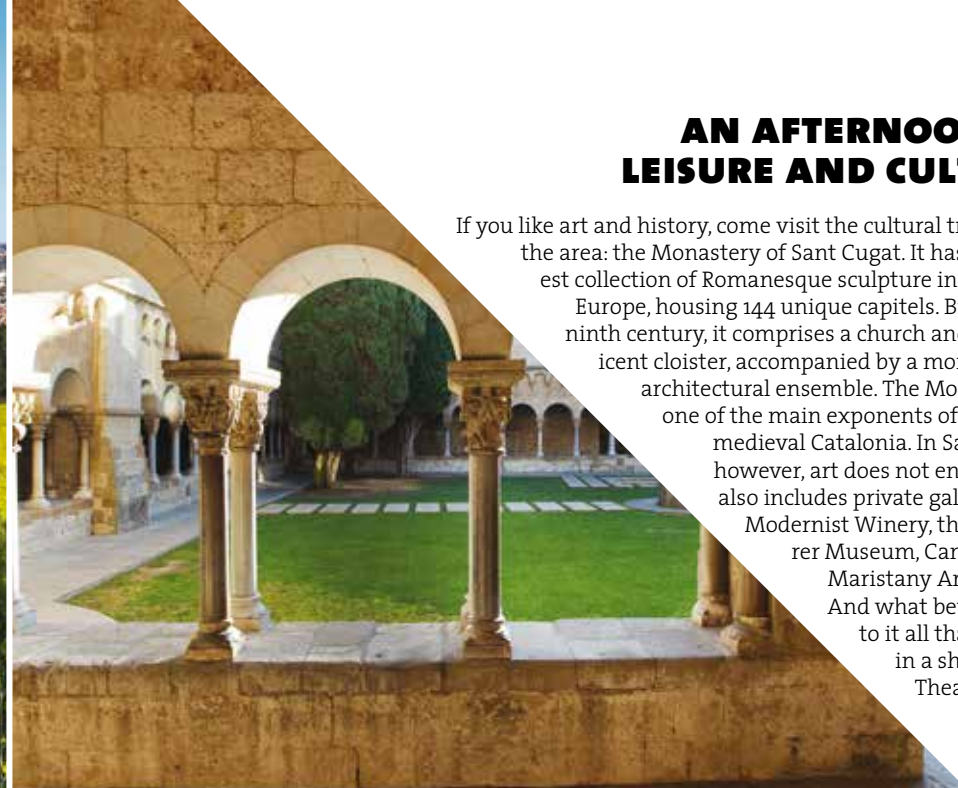

## AN AFTERNOON OF NATURE

If you want to get healthy, immerse yourself in nature and discover one of the greenest cities in Catalonia where you can go horse riding, jogging, hiking, and more. Sant Cugat is part of the Natural Park of Collserola, the lungs of Barcelona. You can enjoy the city's thirteen parks as well as its various golf courses.

## AN AFTERNOON OF LEISURE AND CULTURE

If you like art and history, come visit the cultural treasure of the area: the Monastery of Sant Cugat. It has the largest collection of Romanesque sculpture in Southern Europe, housing 144 unique capitels. Built in the ninth century, it comprises a church and magnificent cloister, accompanied by a monumental architectural ensemble. The Monastery is one of the main exponents of the art in medieval Catalonia. In Sant Cugat, however, art does not end there: it also includes private galleries, the Modernist Winery, the Cal Gerrer Museum, Can Quitèria, Maristany Art Centre... And what better finale to it all than to take in a show at the Theatre-Auditorium.

## AN AFTERNOON AT THE SHOPS

If you want to discover somewhere different to go shopping, make your way to Mercantic. The only market of its kind in Europe, Mercantic is a unique market, dedicated to the buying and selling of furniture and antiques, and has become an international benchmark. Here, 125 traders, including antiques and vintage dealers, artisans and collectors shops, have managed to create charming shops. This charm extends to the shopping district in Sant Cugat, where designer shops sit side by side hundred-year-old establishments.

## AN AFTERNOON OF FLAVOURS

If you want to savour the city, discover the heart of Sant Cugat having lunch, dinner or just a drink. The network of streets, alleys and squares is full of cafes, bars and restaurants that offer quality products and friendly service. Window shopping the area will whet your appetite, making you want to try everything: from exotic dishes to the most traditional fare.
